Message from the President

Hello everyone! I'm so excited to be president of our Alumnae group and getting to know all my Tri Delta Sisters.

In case you don't know me, I am Katie Wells. I graduated from Oklahoma State University in 2008. I am very proud of my school and more than likely when you see me I will be wearing something orange. I am a quadruple DDD legacy; my great-Grandmother and Grandmother were Tri Deltas at the University of Arkansas and my mom and aunt were Tri Deltas at Oklahoma State University. One of my most favorite memories is being initiated by my mom while my Grandmother and aunt watched the ceremony.

I'm really looking forward to working with all of our great officers and getting more Kansas City Tri Deltas involved with our wonderful group. I'd love to meet with anyone who is interested in learning more about our chapter. If you know of anyone, please pass along my information, Katie.d.wells@gmail.com and I will get in touch with them.

We have a lot planned for the upcoming year! All upcoming event details, special interest group information and more, can be found on our newly created website at <http://kcsawnee.tridelta.org>. Please take a look and let me know if there are any changes or additions you would like to see. You can see the events that are upcoming and when our special interest groups meet.

Thank you all for everything that you do to make our chapter great! .

A Chance for Children Update

Provided by Beth Roller

A Chance for Children is still very much involved in supporting the KU Kids Healing Place! KU Kids Healing Place is a program at KU Med Center providing support for children, and families of children, with long-term or life-limiting illnesses. The sweet five-year old daughter of a Lambda Tri Delta sister of Lisa (Rush) Lucas' and mine was diagnosed with Stage IV Neuroblastoma last year and has made amazing strides in healing, much of it due to pediatric cancer research. You can follow her progress on Facebook at RallyforRhyan. We all know children who have received diagnoses of pediatric cancer, and how devastating that can be. Lucky for us, we are Tri Deltas and pediatric cancer support will always be near and dear to us. We look forward to more opportunities to support KU Kids Healing Place and pediatric cancer in general.

Following our decision to discontinue the 5K/10K and Kids Fun Run, we hosted the inaugural A Chance for Children Little Stars Soiree on October 1, 2015. As a result of sponsorships, donations and silent auction proceeds, we were able to donate \$9,084.48 to KU Kids Healing Place! This brings our post-race donations to over \$14,500 and A Chance for Children's donations since its inception in 2005 to well over \$125,000. Many thanks to our sponsors and participants for your continued support!
